

What is your daily routine? Ours is taking care of KIDZ ...

We understand responsibility better than privilege and practice accountability better than fear of what's next after the pandemic.

Has COVID placed a strain on your ability to own and run your Pediatric practice?

We are here to help with over 18 years of experience, strong credibility and reliability!

KidzCarePediatrics is actively purchasing practices in North Carolina and recruiting Pediatricians, let us help you to become one of our BIG KIDZ!

"Affordable, Accessible, Quality Care"

Kidzcare is a multi-location, physician owned group practice. With over 26 locations in North Carolina and 1 in Georgia our Patient Centered Medical Home recognition aligns with our mission to provide high quality comprehensive healthcare services to infants and children in the communities we serve without regard to race, color, religion, nationality and ability to pay.
