All admitted applicants will be required to complete a mandatory background check, drug screening, physical exam, and have personal health insurance. Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, a physical exam, and documentation of personal health insurance. If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that he/she may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.
