Congratulations to our UB high school graduates!!! We wish you much success as you begin your post-secondary career. You are half-way through your personal commitment to graduate from college! Remember to come back and visit every week during your first year of college so we can help you along the way.
The first community service project of the Summer 2010 program will be with the Ogden Arts Festival on Saturday, June 12th. Twenty-two UB students will volunteer a total of seven hours assisting staff with clean-up, program hand-outs and maintenance of the Ogden Amphitheater area. Students will be split into two shifts, working to get in a community service project before the official start of the UB summer program.

As a huge thank you to the St. Benedict’s Foundation, a community partner of the Upward Bound program, UB students spent a few hours of their precious Saturday offering their services. Eleven UB students served beverages to the tea party guests, ensuring their needs were met. In addition, the gentlemen were asked to distribute roses to each woman in the room as a tribute to the wonderful life each of them lead. Over 300 guests purchased seats at a table and donated money to a raffle, a huge fundraising effort for the St. Benedict’s Foundation. When the party was over, UB students were right there cleaning up place settings, tables, chairs, decorations and food. The Upward Bound program thanks the St. Benedict’s Foundation for their support of our program and the students that are affected by the foundation’s donation.

The 2009-10 Year End Banquet will be Monday, June 7, 2010 from 6:00 to 8:00pm. Hosted at the Comfort Suites in Ogden, each UB student and one parent/guardian will attend a celebration of the close of the 2009-10 school year and welcome in the 2010 Summer Academic Program. Awards will be distributed to outstanding UB students and their participation in the UB program. All Bridge 2010 graduates will be recognized for their accomplishments in high school and their preparations for their post-secondary education. Special guests from WSU and the local community will also be awarding scholarships.

Welcome to our 2010 Summer Residential Staff. This summer we have Ryan Wilcox returning as the Residential supervisor with R.W. Montague, Kelsi Bailey, Cesar Rodarte, Ryan Pringle, Julie Escobar, and Kristina Słagowski as the residential staff. These wonderful people will be responsible for the safety of the UB students for 6 weeks.

(Kristina Słagowski not pictured)
For Summer 2010, the UB program has a great line up of day instructors to share their love of learning. Four of our day staff are returning for their second or third year with Upward Bound and we are excited to have their experience. Tiffany and Linda have met numerous times with the staff reviewing lesson plans, supply lists and planned activities to ensure the goals of Upward Bound are met through these hands-on, interactive lessons.

UB is also excited to implement a new course with the Bridge 2010 students. This course will be project based math, helping students build at minimal, a tolerance for math. In addition, Carl Porter and the WSU Writing Center will work on a writing focused course to build the necessary skills for effective paper writing.

Our thought and prayers continue to be with our secretary, Lucy Alcantar, as she is receiving chemotherapy. In April, Lucy was diagnosed with B Cell Lymphoma, a highly curable cancer, and has done wonderfully with the treatment.

A special THANKS to the following organizations and their support of the Upward Bound program:

*Carl Porter*, Executive Director - Academic Support Centers & Programs
*Forrest Crawford*, Asst to the President - Diversity
*Weber State University Credit Union*
*Elizabeth Alex Foundation*
*Boys & Girls Club of Weber/Davis - Teen Keystone Club*
*St. Benedict’s Foundation*
