

Bachelor of Science

Graduation MAP Botany, Track C

This is a suggested plan. Meet with an academic advisor to create a specific plan that best fits your academic needs. Remember, taking an average of 15 credit hours per semester facilitates timely graduation.

Notes:

- **Students who need developmental MATH or ENGL will require additional semesters to graduate. It is recommended that Gen Ed courses be taken during summer semesters to accommodate developmental MATH and ENGL courses.**
- **Because this is a science major, the course requirements are very rigid. Major courses are prioritized over Gen Ed courses. Significant deviation from the MAP will likely result in additional semesters required to graduate.**
