

DANIEL S. HUBLER
Associate Professor—Child and Family Studies
Weber State University
Curriculum Vita

Work Address

1351 Edvalson St. Dept. 1301
 Weber State University
 Ogden, UT 84408-1301
danielhubler@weber.edu
 801.436.7243

EDUCATION

- 2012 **Ph.D., Oklahoma State University, Stillwater, OK**
 Human Development and Family Science
- 2009 **M.S., Oklahoma State University, Stillwater, OK**
 Human Development and Family Science
- 2006 **B.S., Weber State University, Ogden, UT**
 Family Studies.

DISSERTATION

“A Dyadic Look at Associations Between Microdimensional and Global Indicators of Marital Outcomes” (Dr. Brandt Gardner, Chair)

RESEARCH INTERESTS

Relationships and Marriage; Research Methods; Online Data Collection; Adolescent Development and Risk Behaviors

AWARDS

- 2007 & 2010 Recipient of the Mildred H. and John W. Skinner Graduate Fellowship (Qualifications include being a MS or PhD student with an outstanding scholastic record, demonstrated progress toward academic degree, and evidence of financial need may be considered.
- 2008 & 2011 Recipient of the Virginia Stapley HDFS Scholarship
- 2010 Invited (as a student’s mentor) to the College of Human Sciences Student Council’s 4th Annual Faculty Appreciation Dinner
- 2011 Recipient of the 2011 Oklahoma Council on Family Relations Outstanding Poster Award.

MANUSCRIPTS (Weber State Students Mentored are underlined)

RESEARCH EXPERIENCE

- 2015 to Present **Co-Principal Investigator with Dr. Mark Adams**, A Randomized Clinical trial exploring the impact of online relationship education on couple relationship satisfaction and states.
- 2017 to Present **Co-Principal Investigator with Dr. Ryan Dunn**, Dyadic data collection, in partnership with undergraduate students who sought funding from the Office of Undergraduate Research.
- 2013 to 2016 **Co-Principal Investigator with Dr. Pamela Payne, Weber State University's Child and Family Studies Relationship Enrichment and Assessment Lab**
Responsibilities: Directing six research projects including various collaborations with undergraduate students at Weber State University.
- 2011 to 2012 **Co-Principal Investigator, "Late Adolescents' Attitudes Toward Age of First Marriage In Oklahoma," Kelly Roberts, Daniel Hubler, & Kate Kirk, Co-PIs.**
Responsibilities: Write and Submit a research grant proposal to the Oklahoma Marriage Initiative via Public Strategies (Project was funded.). Supervise structured focus-group interviews for 4 different group locations. Collaborate with local extension educators and community leaders to arrange the interviews. Write and submit brief-reports regarding the qualitative findings from the research project.
- 2010 to present **Graduate Research Assistant, "Front Page Facts," Kelly Roberts, PI.**
Responsibilities: Gathering background research on marriage relationships. Gathering, summarizing, and presenting media regarding relationships for the National Healthy Marriage Resource Website, <http://www.healthymarriageinfo.org/>.

2009 to 2012 **Graduate Research Assistant, “Family Youth Development Project,” Michael Criss, Supervisor.**

Responsibilities: Preparing and supervising research, writing a proposal for funding for the research lab, and supervising undergraduates in data collection related to parent and adolescent relationships.

2007 to 2009 **Graduate Research Assistant, “Research Recruitment Challenges in Low-Income Marriage Education Programs,” Brandt Gardner, Supervisor**

Responsibilities: Preparing and supervising a research lab and data collection.

GRANTS/Funding

2017 External Funding for Service as Online Survey Methods Consultant for the University of Iowa| PI: Daniel Hubler (2,000): Funding Summer 2017 through Summer 2018.

2017 Department of Human Services: Utah Marriage Commission| The Marriage Mechanic Year 2, Co-PIs: Daniel Hubler, Paul Schvaneveldt, & Mark Adams (\$10,200): Funded April through June 2017.

2016 Department of Human Services: Utah Marriage Commission| The Marriage Mechanic, Co-PIs: Daniel Hubler, Paul Schvaneveldt, & Mark Adams (\$11,375): Funded April through June 2016.

2016 Dee Family Technology Grant, Family Life Education Programs, Co-PIs: Paul Schvaneveldt & Sheila Anderson (\$4,378.97): Funded 4/2016

2015-16 Utah Marriage Commission; Award for Facilitating online Micro-Lessons on Relationship Education (\$11,375).

2014 Jerry and Vickie Moyes Endowment Travel Award for Teaching Family Science Association Annual Conference, Waikiki, HI: June 2014. (\$2177).

2014 WSU Alan E. and Jeanne N. Hall Endowment for Community Outreach Funding (\$7200). Learning and Practicing as Family Life Educators: Enhancing Skills through Community Outreach, Education and Service: Funded 3/2014.

2014 Research, Scholarship and Professional Growth Committee (\$5000). Learning and Practicing as Family Life Educators: Enhancing Skills through Community Outreach, Education and Service: Funded.

2014 Jerry and Vickie Moyes Endowment (\$5400). Learning & Practicing as Family Life Educators: Enhancing Skills Through Community Outreach, Education, and Service: Approved.

- 2014 Dee Family Technology Grant, Learning & Practicing as Family Life Educators: Enhancing Skills Through Community Outreach, Education, and Service (\$3765.98): Funded 4/2014.
- 2013-14 Jerry and Vickie Moyes College of Education Moyes Endowment Grant, Intergenerational Poverty Research Analysis Grant. Co-PI's: Dr. Paul Schvaneveldt, Dr. Dan Hubler, Dr. Pamela Payne, Dr. Carrie Ota.
- 2012 Jerry and Vickie Moyes College of Education Research and Development Grant Military Family course development and video series. Co-PI's: Dr. Dan Hubler, Dr. Pamela Payne, Dr. Chloe Merrill, Dr. Paul Schvaneveldt. Total Award: \$4000.00

TEACHING EXPERIENCE

- 2012 to Present **Professor for the following Child and Family Studies Courses:**
CHF 1400 (Marriage as an Interpersonal Process); CHF 2400 (Family Relations); CHF 3850 (Current Research Methods); CHF 4990B (Senior Seminar for Family Studies); CHF 2100 (Family Resource Management); CHF 4650 (Family Life Education Methods)
- 2012 to 2013 **Professor for the following Child and Family Studies Courses:**
CHF 3650 (Family Processes); CHF 4650 (Family Life Education Methods)
- 2008 to 2012 **Instructor (Sole Responsibility), Department of Human Development and Family Science, Oklahoma State University**
Courses include: Family Dynamics, Relationship Development and Marriage, Family Risk and Resilience, Family Life Education Methods, and Managing Human Services

OUTREACH ACTIVITIES:

- 2009 to 2010 **Peer-Expert Blog Writer, TwoOfUs.org**
Responsibilities: Posting bimonthly blog entries about marriage, family, and relationships for the National Healthy Marriage Resource Center Website, TwoOfUs.org.

PROFESSIONAL SERVICE

Presentations

- Hubler, D. S. (2010). Free computer applications for research and instruction, Department of Human Development and Family Science, Presented at Stillwater, OK.
- Hubler, D. S. (2011). Free computer applications for academia, *Graduate Students of Human Environmental Sciences*, Presented at Stillwater, OK.

Memberships

National Council on Family Relations; Family Science Association

Organizational offices held

2016-present **Secretary**, Affiliate Council Board, National Council on Family Relations
 2014-2015 **President**, Family Science Association
 2013-2014 **Vice President**, Family Science Association
 2008-2010 **President**, Graduate Students of Human Sciences, Oklahoma State University
 2008-2012 **Board Member**, Oklahoma Council on Family Relations
 2005-2006 **Board Member**, Child and Family Studies Student Association, Weber State University

College/Departmental Service

2010 **Discussion Leader**, College of Human Sciences Freshman Reading Program
 2013 **Family Studies Co-Chair**
 2013 **Advisor: Men of Child and Family Studies**
 2012- 2015 **College of Education Representative: Weber State University Scholarship Committee**

PROFESSIONAL CERTIFICATIONS

2007-2011 **Provisionally Certified Family Life Educator**
 2011-Present **Full Certified Family Life Educator**

METHODS AND STATISTICS

Computer programs: SPSS, MPlus, HLM, PSPP, Comprehensive Meta-Analysis, Qualtrics (Bronze Certified)

Statistics courses: Analysis of Variance, Regression Analysis, Multi-level Modeling, Structural Equation Modeling, Meta-Analytic Methods
