

Kraig Chugg

EDUCATION

Masters of Science - 1999

Instructional Technology
Utah State University, Logan, UT

Bachelor of Science - 1995

Clinical Laboratory Sciences (CLS)
Weber State University, Ogden, UT

Certification: Medical Technologist, American Society for Clinical Laboratory Science

TEACHING EXPERIENCE

Assistant Professor, Health Sciences, Weber State University, Ogden, UT;

July 2001 – Present

- Department chair (2011-present)
- Teaching responsibilities: HTHS 1110 and HTHS 1111 - Integrated Human Anatomy and Physiology I and II; HTHS 2230 - Introductory Pathophysiology; HTHS 2231 - Introductory Pathophysiology Laboratory
- Developed ICD-10 continuing education course for Health Information Technologists

Assistant Professor, Clinical Laboratory Sciences, Weber State University, Ogden, UT;

December 1999 – June 2001

- Teaching responsibilities: CLS 1113 – Introduction to Clinical Laboratory Practices; CLS 2215 – Principles of Immunohematology; CLS 3311 – Advanced Immunohematology; CLS 4414 – Laboratory Teaching and Supervision I; CLS 4417 – Laboratory Teaching and Supervision II; CLS 4411 – CLS Simulated Laboratory
- Developed a Clinical Laboratory Assistant (CLA) program for area healthcare providers for both on-campus and online delivery (10 hospitals & 10 physician clinics)
- Designed an online Associate of Applied Science Degree in clinical laboratory sciences

Coordinator, CLS Distance Learning Programs, Weber State University, Ogden, UT;

September 1994 – December 1999

- Designed and implemented a distance learning baccalaureate degree in clinical laboratory sciences
- Member, WSU Online Development Team (wsuonline.weber.edu)

CLINICAL EXPERIENCE

Clinical Education Coordinator, Intermountain Medical Center Central Laboratory, Salt Lake City, UT

May 2008-August 2011

- Supervised and delivered new employee orientation

- Managed training schedules, procedural training, and education compliance for electron microscopy, flow cytometry, histology, and cytotechnology departments

**Medical Technologist/Clinical Laboratory Scientist, Brigham City Community Hospital,
Brigham City, UT**

January 1997 - August 1998

- Performed general laboratory tests
- Coordinated laboratory tests between the surgical, OB-GYN, pediatric, emergency, and intensive care departments

Medical Technician/Medical Technologist, Ogden Clinic, Ogden, UT;

June 1993 - January 1996

- Performed general laboratory tests, main laboratory and urgent care clinic

PROFESSIONAL PRESENTATIONS

- National Clinical Laboratory Educators Conference (CLEC) in Milwaukee, WI; *The Whichizit; A Problem-Based Learning Tool Using Clinical Simulations and Clinical Correlation*, 2004
- National Clinical Laboratory Educators Conference (CLEC) in St. Louis, MO; *Producing Online Learning Resources Utilizing Streaming Media Technology*, 2001
- American Association of Clinical Chemists (AACC) Regional Conference (AACC) in Salt Lake City, UT; *Alternative Educational Strategies in Clinical Laboratory Science*, 2001
- Okie/Arkie 2000 in Tulsa OK; *MLT to MT Articulation*, 2000
- National Clinical Laboratory Educators Conference (CLEC) in Salt Lake City, UT; *A Wholistic Approach to CLT/MLT AND CLS/MT Laboratory Education*, 2000
- Annual CLSA Conference in Alyeska, AK; *Completing your Clinical Laboratory Education Online*, 2000
- USCLS/CLMA Spring Seminar in Ogden, UT; *Internet Resources for Clinical Laboratory Science; Back to the Basics*, 2000
- National Clinical Laboratory Educators Conference (CLEC) in San Juan, Puerto Rico; *CLS Internet/Distance Learning BS Degree, Certificate in Core Lab Skills*, 1999
- USCLS/CLMA Spring Seminar in Ogden, UT; *Alternative Educational Strategies in Clinical Laboratory Science*, 1999
- Intermountain States Seminar (IMSS) in Jackson Hole, WY; *Internet-based Resources for the Clinical Laboratory*, 1998
- Intermountain States Seminar (IMSS) in Jackson Hole, WY; *The Latest in Phlebotomy*, 1997

PROFESSIONAL SERVICE

- Utah Society for Clinical Laboratory Science (USCLS), Webmaster, 2000-2008
- Utah Society for Clinical Laboratory Science (USCLS), Board Member, 2000

- Utah Society for Clinical Laboratory Science (USCLS), Nominations Committee, 1999
