

Bachelor of Science MICROBIOLOGY Pre-Professional Graduation MAP

**WEBER STATE
UNIVERSITY**

This is a suggested plan. Meet with an academic advisor to create a specific plan that best fits your academic needs. Remember, taking an average of 15 credit hours per semester facilitates timely graduation.

This plan outlines a degree in Microbiology customized for students interested in medical professional or graduate school. Requirements vary by program and should be discussed with the Microbiology or your Pre-Professional advisor.

Major GPA of 2.0 or higher required for graduation.

Students completing this plan will also earn a minor in Chemistry.

Most medical schools do not count AP credit earned in high school as a substitute for their prerequisite courses.
