Emergency Meeting continuation from July 21, 2020 meeting

3:00 pm in attendance for the emergency meeting Sheila, Brittany, Camie, Stephanie, Morris and Angela (Health Consultant)

Sheila indicated that her and Camie continued going thru all the sections after yesterday’s meeting and today will go thru with the rest of the Board to vote on today.

The meeting picked up where Brittany had concerns about the section “Taking steps to mitigate the risks for employees.”

- Brittany’s concerns were the awareness and the kind of protection the teachers in our plan for Covid-19 and reopening will have. Talked about teachers concerns if they are at high risk and not feeling comfortable about coming back. The additional stresses of workload, adult interactions and limited breaks with everything.
- What will happen if a teacher gets sick? What will happen then, how the class will look, where subs will come from etc.?
- Camie talked about her feelings about putting staff at risk. Camie, the teacher and teacher assistant all had meetings to go over the plan several times and had input in the plan from the beginning.
- Stephanie brought up the point about the students and their interaction in the classroom and with teachers.
- Angela also brought up the districts that are looking at the population of their families and working on the students/families as a whole and teachers as a whole.
- Sheila pointed out that Camie and the staff have taken the lead on this issue and that the Board has not really been mandating the Reopening plan.
- Sheila talked about the Harvard course her and Camie were part of in the Spring, it talked about how to do a stress plan for the school. It consists of looking at the different levels. You look at the children, staff with families, administration then identify potential sources of stress for them and then look at strategies to mitigate or buffer distress or alleviate it.
- Talk again about substitutes
  - Action Item Camie will check into the Company that supplies substitutes and hiring another full time teacher assistant for the upcoming school year.
  - Continuation thru the rest of the sections Camie and Sheila had done the night before, discussion and minor adjustment/edits were made in each section.

Vote to Approve COVID-19 School Reopening Plan.
- Brittany motioned to approve, Stephanie seconded, approved

Adjourned
- Shelia motioned to adjourn, Stephanie seconded, approved
