*If completing either Science Option course during the Spring semester, when applications are due, have your instructor submit a progress grade for the course – **Due: March 1**!

______ Prior to starting the Radiologic Technology program, complete all of the following Support courses:

_____ English 1010
_____ Psychology 1010
_____ Math 1010*

_____ General Ed. Physical or Life Science course (only if completing **Science Option 2**)  

*Math 1010 is required for the AAS degree for Radiologic Technology; however, if pursuing a Bachelor degree in an Advanced Radiologic Science program, students will be required to fulfill Math QL (1030, 1040, or 1050 – only one of the three). Math 1010 will expire after two years.

______ Submit or postmark a complete application by **January 10**. Applications are available online at [weber.edu/radsci](http://weber.edu/radsci) or by contacting the DCHP Admissions Advisement Office at 801.626.6136 or [HealthProfessions@weber.edu](mailto:HealthProfessions@weber.edu).

**Once I am qualified, how do I improve my chances of getting accepted?**

- Grades are the biggest part of the selection process, especially Science Option courses. Average GPA of accepted students is a 3.5, with grades of ‘A, A-’ in the Science Option courses. Grades in Science Option courses are **weighted heavily**!
- For the interview process, it is ideal to get into a Radiology department within a hospital or clinic and obtain observation, job shadow, or volunteer experience. Additional resources are found at [arrt.org](http://arrt.org) or [asrt.org](http://asrt.org). If unable to get into a Radiology department, any direct-patient experience may help.
- Although first-time applicants may be accepted into the program, additional consideration will be given to previously qualified applicants.
- Additional consideration for an earned AS/AA or higher degree, and any 3 **current** medical certifications.
- Ensure most recent semester grades are posted on your transcript. This may necessitate the need to turn in or mail applications in early-January as opposed to December.
- Students may apply to multiple Radiologic Technology locations. However, many Outreach locations give preference to students living in the area or surrounding areas. A separate and complete application including fee, reference forms and transcripts – must be submitted for each location.

How do my credits transfer from other institutions?
You may visit our online transfer guide at weber.edu/transferguide for a list of courses from other regionally-accredited colleges/universities and show how those courses transfer to Weber State University.

Is there a time limit to how old my courses can be?
There is no expiration for any of the prerequisite courses; however, if intending to pursue a Bachelor’s degree in Advanced Radiologic Sciences, it is highly recommended students fulfill Math Quantitative Literacy (QL).

Math placement information: http://www.weber.edu/placement/math.html

Do I need letters of recommendation?
No. As part of the application, there are reference forms that need to be filled out by three individuals. It is recommended that individuals who have seen your work ethic fill out your reference forms.

What should I expect once I’m accepted into the program?
The Radiologic Technology program is a five-straight semester program (Fall, Spring, Summer, Fall, Spring). You will have lab and class twice a week and 24 hours a week of clinical work at your assigned facility (traditionally three days of 8-hour shifts). Clinical sites are assigned to you by the Radiologic Sciences department.
