Jim S. Bateman

Freshman Scholarships

Bateman Scholar Vision- The vision of this fund is to help students with financial need – and demonstrated potential – to prepare to become leaders in their local communities, disciplinary fields, and society in general.

Facilitating this Vision- This fund aims to facilitate this vision by supporting students in financial need who also show exceptional potential or achievement in one or more of the following: academic performance, undergraduate research, community service, community engagement, or overcoming significant life obstacles. These students may be either currently enrolled in a major within the College of Science or incoming students who have committed to major within the College of Science.

An applicant for this scholarship at the freshman level must:

- Apply for scholarships and financial aid (complete a FAFSA) through the eWeber portal
- Must be planning to major in one the disciplines in the College of Science
- Be a freshman (less than 30 credit hours earned) during the period when the scholarship is in effect
- Be a full-time student (12 credit hours minimum) during the period when the scholarship is in effect
- Have a minimum GPA of 2.5

Hand-written, incomplete, and/or late applications (including the cover page) will not be considered. See the College of Science scholarship webpage (<http://www.weber.edu/cos/Scholarships.html>) for the application due date.

Please include as part of the application:

- No binders, folders, page protectors, cover sheets, etc.
- The College of Science Academic Scholarship Application Form
- A current copy of your transcript (unofficial is acceptable) or CatTracks printout
- A written statement that addresses why you qualify for this scholarship specifically noting how you have excelled at one or more of the criteria below:
 - Academic performance
 - Scientific research
 - Community Service
 - Community Engagement
 - Overcoming significant life obstacle/s
- A letter of recommendation supporting your written statement
 - This letter should be submitted by the recommending party directly to COSScholarship@weber.edu. The student and scholarship names should be in the subject line
 - The due date for the recommendation letter is the same as the due date for the application
- A financial statement about your need, and how financial support will help you to achieve your educational goals at WSU

Once all documents are completed and compiled please submit via email at COSScholarship@weber.edu.
