

Box of Bones Teaching Toolbox

Using the Toolbox:

The Teacher Toolbox is intended as a supplement to your existing curriculum. Materials included in the binder are not meant to be comprehensive or give specific lesson plans, but to provide ideas and enrichment activities.

Specimens:

1. Pond Turtle Shell
2. Snapping Turtle Skull
3. Black Bear Skull
4. Beaver Skull
5. Coyote Skull
6. Fox Skull
7. American White Pelican Skull
8. Domestic Duck Skull
9. Red-Tailed Hawk Skull
10. Frog Skull
11. Snake Skeleton
12. Fish Skeleton

Books:

1. *Bears*
by Deborah Hodge
2. *Beavers*
by Deborah Hodge
3. *Bone Collection: Animals*
by Rob Scott Colson
4. *Bone Collection: Skulls*
by Camilla de la Bedoyere

Note:

Many of the skulls are real bone, very dry and brittle - please treat it gently to avoid breakage. Bone work within the nasal cavity is especially fragile and should not be touched. If a tooth becomes loosened please make note of it so we can make repairs as needed.
