PROMISCUOUS & NAKED... (*...plants)

THURSDAY Jan 26 at 4:30 pm

Through a hands-on game we will explore the definition, traits, and impacts of invasive plants, and identify some of the most promiscuous plants of Utah.

TEACHER TWILIGHT SERIES

Come and peer into the wonderful world of the winter condition for plants of Utah to get a detailed picture of naked plants.

Presented by Bridget Hilbig, James Cohen, and Barb Wachocki, WSU Botany Dept.

Light dinner served in Tracy Hall Science Center room 102
