

The **Monarch Butterfly** *Art and Science in the Classroom*

Presented by: Ogden Nature Center
Center for Science & Mathematics Education at Weber State University
Arts Learning Collaborative at Weber State University

Want to raise monarch butterflies in the classroom?

Extend your students learning with hands-on visual art and puppetry activities aligned with Utah math, science, and fine arts standards.

We'll show you how & you'll go home with all the supplies for engaging activities to inspire your students and the curriculum guide.
