Welcome to Our Newest Majors:

Michael Benini - Geol, Patty Adams - AEG, Austin Jensen - Geol, & Saige Carter - Geol. Please do not hesitate to let us know how we can best support you with your goals. (Geol=Geology major, AEG=Applied Environmental Geosciences major, EST=Earth Science Teaching major)

The Story of Earth: How Life and Rocks Co-evolved:

Frontiers of Science, University of Utah, Dr. Robert Hazen presents, "The Story of Earth: How Life & Rocks Co-evolved," Thursday, December 7, 6:00 p.m., Aline W. Skaggs Bldg. (ASB) room 220. A flyer is attached.

Entrepreneurship Minor for ANY Major:

Did you know Weber State offers a Minor in Entrepreneurship? You can finish the Minor with 15 credits in only 3 semesters. You could also walk away with \$15,000 by the time you finish if you decide to start business while enrolled. For more information, feel free to reach out to Brandon Stoddard, Director, Hall Global Entrepreneurship Center at [\(801\) 626-7205](tel:8016267205) or brandonstoddard@weber.edu. A Flyer is attached.

New Scholarship Opportunity:

The College of Science Jim S. Bateman Freshman Scholarship is now accepting applications. Submission Deadline is Monday, November 27, 2017, by 4:00 pm to TY470. The [application and more information can be found here](#).

Come in for Advising:

The Spring 2018 course schedule is now available online. As you consider your choices, please come touch base with your departmental faculty advisor to discuss your course selections, and overall degree progress. The advisors are listed below. Academic Advising can save you time, effort & money -- come see us!

- All Graduating Seniors (Fall 2017, Spring 2018, Summer 2018):
