WSU YouTube

Women In STEM:

Listen to seven stories from women in successful STEM careers, and learn from their experiences. Join us on Friday, September 8, 1:30-3:30pm in the Tracy Hall Science Center Atrium. A flyer is attached for full information.

Student Job Fair:

Career Services is hosting their annual Student job Fair on Wed, September 6, in the Shepherd Union Atrium & Waterfall Lobby. This could be helpful for students who are interested in a part-time job during the school year. A flyer is attached.

Seats Available in Geomicrobiology (GEO 3753)

Microbes can live in boiling acid, eat poison, breathe metals, build rocks, and dissolve concrete! Join us in this exciting, hands-on course this fall as we explore topics in geomicrobiology, and do research in one of the best living geomicrobiology laboratories on the planet: the Great Salt Lake. A flyer is attached with class days/times is attached.

- Upper-division elective credit for GEO or MICR (3 credits)
- Field Experience
- Cutting-Edge Lab Techniques
- Real Research Projects

Town Hall Meeting for All Geoscience Majors:

Please join us Tuesday, September 5, from 1:30-2:30pm in TY 102. Come together with other geosciences students, faculty and staff to learn about all the great things happening in our department community. Faculty will discuss undergraduate research opportunities, course offerings, and advising. Geology Club and SGE student officers will have information about club membership and

activities. New majors are especially encouraged to attend. See the attached flyer for full information.

Welcome Back Picnic:

SGE and the Geology Club will be having a welcome back potluck picnic on Friday, Sept. 8, 6:00 PM, at Mount Ogden Park (3144 Taylor Ave, Ogden). There will be a raffle for prizes and great food! Meat will be provided, and a sign-up sheet is posted in the major's room. Please wow us with your cooking or shopping skills! If you have any questions, please contact Aaron Phipps, Orana Paullus, Judy Smith, or Teri Cisney. Hope to see you all there!

Follow Us on Facebook:

Grab your phone, open Facebook, and be sure you have "liked" our two pages. We post information about upcoming scholarships, speakers, activities, events, and so much more! [The department page is located here](#). SGE & Geology Club have teamed up to run the [student clubs page here](#).

Valuable Information on Our Website:

Have you visited our website lately? We have incredible resources available for you there, including:

- [Possible careers in Geosciences](#)
 - [What degrees we offer & our 3-year provisional schedule](#)
 - [A huge list of helpful resources for students](#)
 - [Scholarship information](#)
 - [Student Clubs](#)
 - [General job/internship sites to search through](#)
 - [Specific job/internship opportunities we've been notified about](#)
 - [Our fav Geosciences-related links from around the internet](#)
-

Come in for Advising:

Remember to please touch base with your departmental advisor each semester to discuss your course selections and overall degree progress. We want to help save you time, effort & money -- come see us!

All New GEO Majors: [Dr. Rick Ford](#)

All Graduating Seniors (Fall 2016): [Dr. Rick Ford](#)

Geology: [Dr. Rick Ford](#)

Applied Environmental Geosciences: [Dr. Marek Matyjasik](#)

Earth Science Teaching: [Dr. Rick Ford](#)

Geospatial Minor/Geomatics Certificate: [Dr. Michael Hernandez](#)
