

Hello again from the Geosciences Department! We hope you find these weekly emails informative and helpful. Please feel welcome to reply back to these emails, or contact the person listed within any given piece of information, with any questions that you may have.

**Department Scholarship Applications now Available:** Geo majors are encouraged to apply for Departmental Scholarships. An application is attached to this email and more are available in Marianne's office, 202M. The deadline is February 22.

**2013 UGA Field Camp Scholarship:** [Utah Geological Association](#) is offering scholarships to attend field camp this summer. Their application form is attached. Applicants that will be considered are those who are enrolled at an institution in Utah, and will be attending field camp in 2013. Deadline for UGA receipt of all applications, is Friday, March 1, 2012.

**AWG Ekdale Field Camp Scholarship:** This is 24th year that the Salt Lake Chapter of the Association for Women Geoscientists (AWG) (<http://www.awg.org/>) will offer the Ekdale scholarship. The \$2000 annual scholarship is for a female student attending geology field camp this summer. The deadline for application is March 13, 2013. This announcement will also be located on AWG's website: <http://www.awg.org/EAS/scholarships.html>

**AWG Geoscience Research Scholarship:** AWG is also offering a research scholarship, which will reimburse \$1,000 per individual for meeting and travel expenses to present a research paper at a regional or national professional meeting. The deadline for application is also March 13, 2013. If you have additional questions, please contact Janae Wallace at [janaewallace@utah.gov](mailto:janaewallace@utah.gov).

**Academic Outreach, Paid Positions:** WSU is looking for responsible individuals to provide high quality academic support to high school students through the GEAR UP Program within the Ogden, Davis and Weber school Districts. Tutors will be impacting and changing lives of the youth in the community, and will need to have strong interpersonal skills. To learn more and/or apply, please go to [www.weber.edu](http://www.weber.edu), click on the letter E in the alphabetical index, click on employment, click on search listings, click on the drop down in the title box and choose "academic outreach"
