LON W. SCHIFFBAUER, Ph.D.

OFFICE OF WORKPLACE LEARNING

EMPLOYEE LEARNING WEEK

March 4-8, 2019

2019 Theme >>>

This year's theme is all about Ogden! Sometimes when we go about our day-to-day we lose sight of the wonderful things our town has to offer. This week will focus on reminding us (or even introducing us) to the wonderful adventures Ogden has to offer.

Here's What's Happening

Tue/Wed/Thur: Employee Learning Classes

Wednesday: Supervisor ½ Day Conference

Friday: Downtown Scavenger Hunt and Celebration

All Week: LinkedIn Learning Courses

Ogden: Stay and Play

Ogden has a rich history and continues to add to that unique history year after year. From the iconic Historic 25th Street to the majestic trails, Ogden never lacks for adventure. This year we want to focus on all that Ogden has to offer and encourage everyone to "Stay and Play." We will have individuals from several businesses and organizations all around Ogden come and share with us about the wonderful adventures and places you can experience so you can "Stay and Play."

How to enter for prizes

For every course you attend or every LinkedIn Learning course you complete, you will receive an entry for the prize drawing. Some of the prizes include admission to iFly, iRock, FlowRider, along with gift cards and products from our local businesses. Those who complete the scavenger hunt can enter in to win the grand prize which includes a one-night stay at a local hotel, dinner for two to a local restaurant, and two movie tickets. Learn more about the grand prize in our "Scavenger Hunt and Celebration" section.

REGISTER IN TRAINING TRACKER FOR COURSE #250-01

LinkedIn Learning

How to Access

Employees can access LinkedIn Learning by logging into your eWeber portal and selecting (or searching in the IT Service category located on the left navigation bar) the LinkedIn Learning app.

Once you access the LinkedIn Learning, click on "Library" at the top navigation bar and select "My Org." From there you can select the "Employee Learning Week 2019" Learning Path. If you encounter issues, please contact that Service Desk at x7777.

About LinkedIn Learning

LinkedIn Learning is an online learning platform that provides professional development in multiple areas such as marketing, project management, leadership, and many other technical skills. All courses are taught by industry experts. LinkedIn Learning can allow you to personalize your learning experience. With new content constantly being uploaded, learning can be endless.

Learning Path Content

There are 5 focus areas you can choose from:

- Time Management
- Technical Skills
- Work Life Skills
- Leadership Skills
- Customer Service

Access courses anytime throughout the week. Some courses are short videos while others can take a few hours to complete.

For each video or course completed, you will automatically receive one entry for the prize drawing. Additional prizes will be awarded for participating in LinkedIn Learning. Prizes include wireless headphones, Apple TV, and a prize donated by the Bookstore. Learn the criteria for prizes on our website weber.edu/owl/ELW2019.html.

Tue, Wed and Thu, March 5-7, 2019

Employee Learning Classes

This year all classes are will be taught by individuals from businesses in our local community. The purpose of these courses is to introduce you to the many activities and businesses in the area to learn where you can stay and play. Classes on Tuesday will be held in the new Lindquist Hall (LH), formerly the Social Science building. Registration opens February 20, 2019.

Some classes are limited in size due to resources or supplies. All classes require pre-registration.

Log into Training Tracker through the faculty/staff portal, locate the course # of the class you'd like to take, and 'add to schedule.'

Friday, March 8, 2019

Scavenger Hunt and Celebration

Historic Downtown Ogden holds many little treasures and tons of history. This week you will have the opportunity to learn unique facts about downtown Ogden through a scavenger hunt.

Scavenger Hunt

The scavenger hunt is focused on a few block radius of downtown Ogden. It will include a map with a set of questions. All the answers can be found in the area shown on the map. You can download the scavenger hunt from our website, weber.edu/owl/ELW2019.html.

Complete the scavenger hunt anytime during the week. Turn in your completed scavenger hunt on Friday, March 8th, by 2 p.m. at our Celebration to enter in for the grand prize.

Ride UTA

We are encouraging all employees to use their UTA Ed Pass to travel to downtown Ogden to complete the scavenger hunt.

In preparation, we are offering two courses taught by a UTA Travel Trainer on Tuesday and Wednesday of this week. From that class, you can learn how to travel using UTA's transit system. If you are not able to attend either of these in-person classes, we will be filming the first class and will post the video to our website. You can watch at your convenience at weber.edu/owl/ELW2019.html.

If you use UTA to travel downtown and provide proof (i.e. a photo) you can have three entries for the grand prize instead of just one!

Enter for the Grand Prize

By completing the scavenger hunt, you can enter in to win the grand prize which includes a one-night stay at an Ogden hotel, dinner for two at a local restaurant, and two movie tickets.

Celebration

Come join us to celebrate, learn the answers to the scavenger hunt, and participate in "801 Rocks" by painting rocks to hide throughout Ogden on Friday at 2 p.m. in SU 404. Sign up in Training Tracker to attend. Course #901-42.

LinkedIn Learning classes will be available during the week. You can access the courses through your eWeber portal. See instructions in the "LinkedIn Learning" section. Visit our website for more details on the prizes!
