

*Introducing*

**WSU**

**Training**

**A new era of learning at Weber State.**

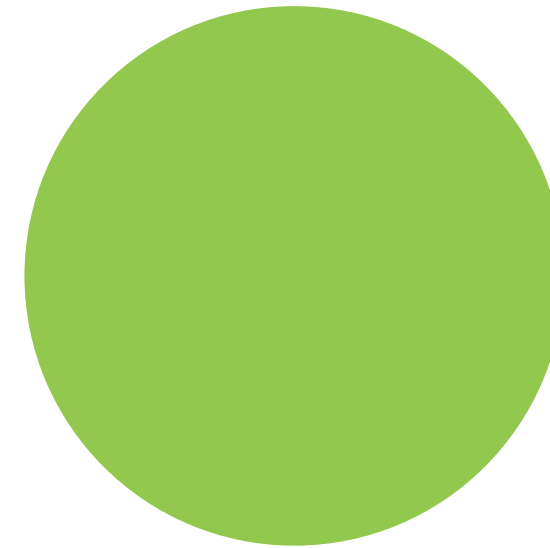

# Training Council

We've created a cross-campus council of professional trainers to coordinate efforts, reduce duplication, and elevate the quality and consistency of training.

- Employee Engagement & Success
- IT Learning & Engagement
- Employee Wellness
- WSU Online
- WSU Data Training & Communication
- Student Pathways Advisor Training

# What You Can Expect

- A centralized catalog of training opportunities
- Clear communication about upcoming sessions and deadlines
- Stronger alignment between departments and professional goals
- A smarter, more supportive learning experience for everyone

## Training Website

Your go-to site where to find answers on training opportunities, facilitating departments, impactful events, and resources galore.

[weber.edu/training](https://weber.edu/training)

## Training Calendar

We're streamlining events and workshops so they align with university goals and your schedule—no more conflicting sessions!

[weber.edu/training/calendar.html](https://weber.edu/training/calendar.html)

## Training Pathways

We're building long-term learning pathways tailored to personal and professional growth and career stages—from onboarding to leadership development.

# Learn Weber

Learn Weber is your home for training and growth. Our one-stop hub for online courses, in-person training, and development resources.
