Content Advisory

This presentation may address topics related to behavioral intervention, violence prevention, discrimination, harassment, sexual misconduct, or other forms of interpersonal harm. Examples, case studies, and discussion may include descriptions of traumatic events, threatening behavior, or other sensitive subject matter.

We recognize that participants bring a wide range of professional and personal experiences to this work. Please engage in the way that best supports your learning and well-being. You are welcome to step out, take a break, or rejoin the session at any time if needed.

Our goal is to examine these topics thoughtfully and respectfully to strengthen prevention, response, and support practices across our educational communities.
