The Executive Committee approved unanimously this change.

6. Faculty Senate Standing Committees Changes and Replacements – Doris Geide-Stevenoson, Faculty Senate Chair. Looking at the Faculty Senate Constitution more closely led to changes in committees as we enforce 6 year term limits and allow only one committee membership per faculty member. Faculty do not vote on sabbatical replacements so only the following replacements will be presented to Faculty Senate:

ARCC – Jason Manley, A&H replaces T. Grant Lewis, 3-year term; Linda DuHadway, EAST replaces Rob Hilton, EAST 1-year term

APAFT – Sandra Fital-Akelbek, S,-replaces John Kelly, EAST 3-year term; Wade Kotter, LIB replaces Ed Hahn, LIB, 1-year term; Melissa Neville, HP replaces Deborah Judd, HP 1-year term

8. **Announce Ombuds Position Search** – Doris Geide-Stevenson, Faculty Senate Chair. Doris has worked with Kathryn MacKay, Ombuds and circulated to a committee for input on the position announcement. Suggestions were incorporated into the announcement. The period of overlap allows for Kathryn to share information with the new Ombuds. Policy needs to be checked for term limits and who should be on the search committee. This announcement will be distributed by email to all full-time faculty and will be announced via the web page, Faculty Senate meeting and the WSU announcements.

9. **Process for New Centers** - Doris Geide-Stevenson, Faculty Senate Chair – There was a change to PPM 4.3 last year which makes the Provost office and Faculty Senate Executive Committee the coordinator of new centers. There was discussion of questions that should be addressed when reviewing new centers. The applying center currently fills out the USHE R401 Abbreviated New Administrative Unit Proposal which asks a minimal number of questions. Madame will get a definition from Northwest on what Centers, Bureaus and Institutes means. The R401 form will be circulated and then additional questions can be generated.

10. Newsletter - Doris Geide-Stevenson, Faculty Senate Chair – Would like to start sending out an electronic newsletter a few times a year highlighting just a few major items each issue.

11. Other Items –

   RSPG travel awards for fall have all been allocated, Doris will announce this in Faculty Senate. The importance of these funds for faculty may make it so that we should have a competitive system, RSPG needs to monitor this new model of awarding those who come first. Madame will look into where RSPG and ARCC funds come from.

   TLA meetings – Pam is liaison and has class during this time, Marek will work with Pam on filling in for this committee, Pam will still be liaison.

   Program discontinuance and Program Modification – The Business Administration Department has changed emphasis within their department into separate degrees for Marketing, Finance, and Supply Chain Management. These programs have been approved. The Program Discontinuance for the emphasis areas now has to be circulated.
