

WANT HELP APPLYING FOR UNEMPLOYMENT INSURANCE IN UTAH?

WEBER STATE UNIVERSITY
Center for Community Engaged Learning

The **Weber State University Labor Economics Class** is volunteering to field calls to help Weber County community members file for unemployment insurance.

They have received basic training from their professor and passed a knowledge test. Students are available at the times and numbers listed below.

They can answer basic questions about eligibility and **walk applicants through the steps of filing an initial claim**

They can also walk you through follow up steps like filing weekly claims and registering for work.

They are **neighbors helping neighbors**. They are NOT representatives of the Utah Department of Workforce Services and will not be able to answer all questions.

In such cases, they can direct you to additional resources
