

# Strategic Initiatives: Project Life Cycle

PMBOK Knowledge Areas:  
Integration, Scope,  
Schedule, Cost, Quality,  
Resource, Communications,  
Risk, Procurement,  
Stakeholder Management

**Project Infrastructure:**  
Repeatable & iterative  
process  
Standards & templates  
Reporting, Transparency  
& Accountability  
Approving committee

**Common Question:**  
Do all ideas need to  
utilize this process?  
**Variables to consider:**  
Risk, Impact, Interfaces,  
Budget, Catalog,  
Strategic vs Continuous  
Improvement
