

RADIOLOGIC TECHNOLOGY APPLICANT CHECKLIST

Weber State University | Dumke College of Health Professions

Application Deadline:
January 10 of every year

Program Begins:
Fall semester of each academic year

- ____ Have you applied to Weber State University? (If not, go to **Weber.edu** and click Apply).
- ____ Is your college/university overall cumulative GPA at least 2.0?

____ **To be eligible to apply**, you must have a **final grade** (completed course) in a Science Option course listed below (*being enrolled in the final course in Spring or both classes completed is preferred*).

Both Science Option 1 or 2 courses must be completed prior to **starting** the program.

<u>Science Option 1</u>	<u>OR</u>	<u>Science Option 2</u>
____ HTHS 2110 Int. Anat/Phys I (formerly 1110)		____ ZOOL 2320 Human Anatomy (formerly 2100)
____ HTHS 2111 Int. Anat/Phys II (formerly 1111)		____ ZOOL 2420 Human Physiology (formerly 2200)

____ Prior to **starting** the Radiologic Technology program, complete *all* of the following Support courses:

- | | |
|--|---------------------------------|
| ____ English 1010 or 1005 or 1006 & 1007 | ____ English 2010 or 2015 |
| ____ Psychology 1010 | ____ Communication 1020 or 2110 |
| ____ Math 1010* or Math QL | |

****Students with a completed AS/BS Degree have fulfilled the support course requirements.****

Math 1010 or Math QL are required for the AAS degree for Radiologic Technology; however, if pursuing a Bachelors Degree in an Advanced Radiologic Sciences programs, students will be required to fulfill **Math QL [Weber.edu/wsuiimages/placement/math-path-2023.pdf](https://weber.edu/wsuiimages/placement/math-path-2023.pdf) Math 1010 will expire after two years as a prerequisite.*

____ Complete the AAS Radiologic Technology Online application by **January 10**.

Applications are available at <https://www.weber.edu/RadSci/associateapply.html> in November.

Once I am qualified, how do I improve my chances of getting accepted?

- Grades are the biggest part of the selection process, especially Science Option courses. Average GPA of accepted students is a 3.5, with grades of 'A, A-' in the Science Option courses. Grades in Science Option courses are **weighted heavily!**
- For the interview process, it is ideal to get into a Radiology department within a hospital or clinic and obtain observation or job shadow experience. Additional resources are found at arrt.org or asrt.org. If unable to get into a Radiology department, any direct-patient experience may help. It is recommended to do a mock interview with Career Services 801-626-6393.
- Although first-time applicants may be accepted into the program, additional consideration will be given to previously qualified applicants.
- Additional consideration for an earned AS/AA or higher degree, and any 3 medical certifications.
- **Certifications offered at Weber through Radiologic Sciences:**
 - Radiography Limited License (**LPT**) (RADT 1021, 1023, 1024, and 1025) <https://weber.edu/RadSci/lpt.html>
For the AS HTHS Degree RADT 1022 Intro to Radiologic Technology is required with the LPT.
 - Cardiology Technician (**EKG**) Certificate (RADT 1012, 1013, 1014, and 1015) <https://weber.edu/RadSci/ekg.html>
- Ensure most recent semester grades and degree, if applicable, are posted on your transcript before uploading a copy of your unofficial transcript(s) to the application (including WSU), **saved as a PDF**. This may necessitate the need to complete the application in early-January as opposed to December.
- Students may apply to multiple Radiologic Technology locations. However, many Outreach locations give preference to students living in the area or surrounding areas.
- The online application includes a fee (per location), essay, and transcripts.

What should I expect once I'm accepted into the program?

The Radiologic Technology program is a five-straight semester program (Fall, Spring, Summer, Fall, Spring). You will have class once a week, lab a few times each semester, and 24 hours a week of clinical work at your assigned facility (traditionally three days of 8-hour shifts). Clinical sites are assigned to you by the department.

Where are Radiologic Technology programs located?

Ogden Campus Box Elder, Cache, Davis, Weber Counties

Salt Lake Campus Salt Lake, Summit, Toole Counties

Provo Campus Utah, Wasatch Counties

Utah Outreach Clinical Sites

Ashley Regional Medical Center - Vernal, UT
Beaver Valley Hospital - Beaver, UT

Memorial Hospital - Rawlins, WY
Memorial Regional Hospital - Craig, CO
Sweetwater Hospital - Rock Springs, WY
Sage West Hospital - Riverton, WY
St. John's Health - Jackson, WY
Star Valley Health - Afton, WY
Teton Valley Hospital - Driggs, ID

**Locations are subject to change based on availability*

How do my credits transfer from other institutions?

The best thing to do is to become a Weber State student and submit your transcripts for evaluation.

For additional Pre-Radiologic Technology questions regarding application requirements or general education requirements, please contact the Dumke College of Health Professions Admissions Advisement Office. An advising video is also available on our website, that has an advisor going over the applicant checklist, along with other videos and helpful information.
