RATIONALE

The program presented compelling evidence that it meets all AAQEP standards. The evidence showed that program completers are prepared to work effectively as professional educators and that they are able to adapt to different contexts and to grow professionally. Program capacity to analyze and provide evidence for sustained actions and revisions on behalf of candidates was evident and sufficient to meet AAQEP standards. The program demonstrated that it collaborates successfully with stakeholders and partners to strengthen each other's work as well as the broader P-20 education system.
