WEBER STATE UNIVERSITY

IT Proposal/Project Workflow

Project Idea

Contact the IT Liaison for Your Area

The IT Liaison will help create your proposal.

Submit Your IT Project Proposal Form

Submit your proposal to the Portfolio Chair and copy the email to the IT Portfolio and Project Management Office (PPMO) ppmo@weber.edu.

All Proposals will be Presented/Ranked

You will be invited to attend the next Portfolio meeting to present your proposal and answer any questions by Portfolio members.

Proposals only move forward with ITDC approval.

Approved/Ranked Proposals/Projects will be Reviewed by ITDC

The IT Director's Council (ITDC) will review the approved/ranked proposals from ALL seven (7) Portfolios by doing an assessment of IT resource availability for each approved project.

Don't move forward without contact from PPMO.

PPMO will Contact You!

The PPMO will contact you regarding the status of your proposal/project when PPMO receives notification from ITDC.
