

Weber State University
Master of Science in Athletic Training
Program Fees 2022-2023

Fee	Rationale	Amount	Frequency
Travel Costs	Students are expected to provide their own transportation to assigned clinical rotations. However, UTA (bus, train, and Trax) passes are available to all students for free from WSU.	Variable	Every semester
Immunizations	Students must provide documentation of all required immunizations. TB tests, Hepatitis B vaccines, and annual flu vaccines are provided free of charge. Students who require addition vaccinations or titers to meet the requirements must pay for those individually.	Variable	Prior to beginning clinical rotations
Deposit	Students who are accepted to the program and confirm their enrollment must pay a \$200 non-refundable deposit to hold their seat in the program. This money will be applied to the student's fall tuition bill. Students who choose not to attend will forfeit this deposit.	\$200	Once, following admission
WSU Admissions Fee	Students who are accepted to the program and confirm their enrollment must pay a \$30 fee to the WSU Admissions Office to facilitate the processing of their WSU application.	\$30 (\$70 for international students)	Once, following admission
Background check	Students are required to complete a background check during the orientation week, one week prior to the fall semester.	\$74 (more for international checks – varies by country)	Once, prior to the semester in program
Drug test	Students are required to complete a drug test. If the test is positive and the student wishes to repeat it, the student will pay for the second test as well. Students must submit to a repeat test upon reasonable suspicion and will have to pay for the retest.	\$65	Typically only once, prior to first semester in program
Nametag	Students will be issued one nametag for free. Students who lose their nametag will be required to purchase a replacement nametag.	\$10	Only if lost.
CPR recertification	Students must maintain their Professional Rescuer CPR/AED certification throughout the program. Students must recertify prior to their certification expiring, either at WSU or through an outside approved agency.	\$40	Only if you need to renew at WSU.
SafeSport Training	Understand the core concepts behind creating a safe and positive sport environment and learn how to identify, prevent, and respond to issues of misconduct.	\$20	Once, during first semester in program
