

## Weber State University Honors Program Student Course Assessment

Course Number \_\_\_\_\_

Instructor \_\_\_\_\_

Semester \_\_\_\_\_

Below you'll find Honors learning outcomes. Please read the following statements and in the blank before each, write a number from **1 to 5 (with 5 being high)** reflecting the degree to which the particular learning outcome was met in this course:

- A.  I have learned to express myself in writing in a clear and compelling way.
- B.  I have learned to think in an open-minded and objective way that is as free as possible from prejudice and presupposition.
- C.  I better understand abstract arguments and have gained the ability to move between the general and the particular.
- D.  I have acquired a deeper appreciation for a variety of human experience, exploring both its universality and its diversity.
- E.  I collaborated on group projects or activities.

In the space below, please comment on the strengths of this course.
