Assurances:

This agreement is in effect only when all criteria and conditions of the Career Pathways Program and Student have been met. Selection criteria must be met for acceptance into each postsecondary program. Program requirements from either partner may change without notice.

- A. Students will be accepted into the postsecondary portion of the program according to application criteria.
- B. Dual and concurrent enrollment and other credit transfer options are well defined between secondary and post secondary partners.
- C. Compliance with approved Board policies.
