ABA Routing Example

Please enter your banking information as shown in the example:

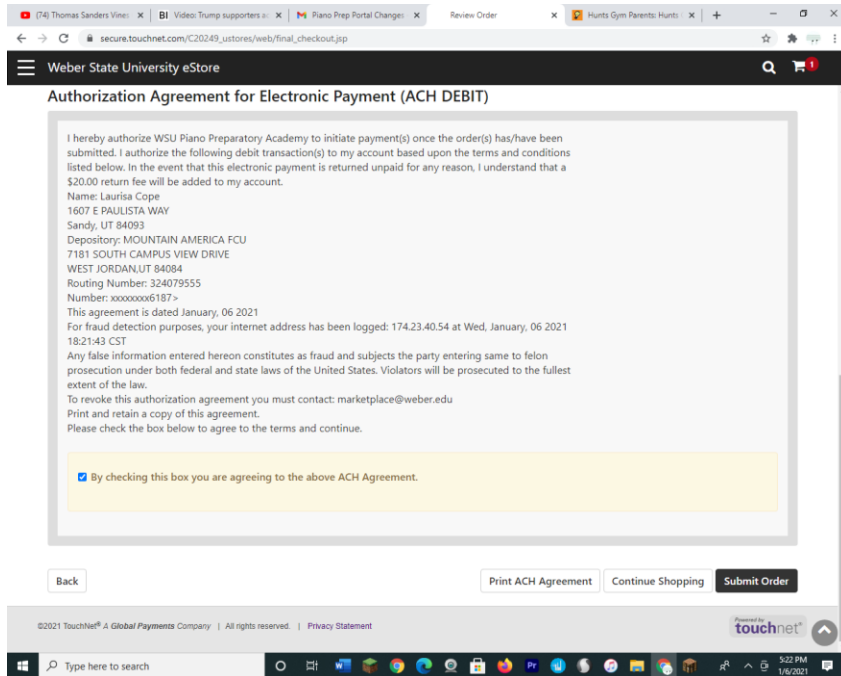

- Routing number** - always comes first and is exactly 9 digits.
- Account number** - varies in length. May appear before or after the check number. Include any leading zeros, but omit spaces and non-numeric characters.
- Check number** - is not needed. Do not include the check number.

It is important to enter your banking account information accurately, or your payment cannot be successfully completed. If you have questions, please contact your bank.

DO NOT enter your debit card number.

Close

11. Be sure to check the box to agree to the ACH Agreement if it appears. If you have used the online payment system before, this agreement may not show up on your screen.

12. Press "submit". You have completed your registration and payment of the application fee! If you have any problems, please contact Laurisa Cope at wmrkel@gmail.com or at 801-833-6169.
