

COMPUTED TOMOGRAPHY CLINICAL SITE APPROVAL FORM

This form is to be completed by the clinical affiliate supervisor.

Prospective students applying to a Weber State School of Radiologic Sciences Regional Bachelor's program must have a clinical affiliate which will allow them to perform clinical education under the supervision of a **certified technologist**. In general, the clinical experience for the Regional Program is a minimum of 24 hours per semester week for the duration of their program. The **Computed Tomography Program** is **3** semesters in length, beginning Fall semester, and finishing the following Summer semester.
