

# Practical Careers that Benefit from **Your** Language Skills

Tuesday, September 11, 12:00 PM  
312 Union Building

**Free Pizza**

日本語 español  
português  
Ελληνικά 中文  
français Tagalog  
русский and more languages...  
Deutsch 한국어  
italiano

Learn from a pro about careers that combine your language abilities with technology, business, and other practical skills. In localization careers, you can design a multilingual website, adapt a video game or movie for another culture, translate a manual for a life-saving medical device, and more!
