

First Year General Studies Student To-Dos: [Student Name]

Hey, Wildcat! Start off strong at WSU by completing each To-Do outlined in the plan below during your first year.

Overview

This plan was created to help you become familiar with and get connected to the resources that will help you have a successful transition to the university. Follow up with the academic advisor who created the plan (see above) after you have completed each To-Do to have it marked off in Starfish or to discuss additional services or resources that may be helpful for you.

Meeting with your academic advisor once a semester, or at least once a year, is critical to your academic success and graduating on time. Locate your specific advisor on the [Find My Advisor](#) page.

Other items to consider:♦ **SSC**

- **Instagram: Check us out!** Our Instagram account keeps you updated on important topics students should be aware of such as when registration begins or how to use your CatTracks. Click our [LinkTree](#) to access essential links students frequently use. It is an excellent first social media stop for students looking for reliable information about what's going on in General Studies. [@weberstatestudentsuccess](#)

♦ **UNIV 1105:**

- **Start on the right foot!** The [First-Year Experience \(FYE\) Program](#) is designed to help incoming students make a successful transition into the university community by offering a three-credit-hour elective course called Foundations of College Success (UNIV 1105).

Whether you have just graduated from high school or are coming back to school, FYE will help teach you “the ropes” at WSU and assist you in making progress toward fulfilling your educational and personal goals.

♦ **Online classes --** What's expected and how to find them

- **I have online classes!** Access your online classes by clicking this [this link](#). There will be assignments and tests throughout the semester. You will also be expected to “attend” class by logging in frequently and keeping up with assignments.

♦ **Peer Mentor**

- **Make a connection with someone who's been there!** The [Peer Mentor Program](#), under Access and Diversity connects students to their peers at WSU. Peer Mentors can help you with topics like goal setting, time management, imposter syndrome, social identities, navigating campus resources, and developing interpersonal and intrapersonal skills

♦ **Academic Peer Coaching**

- **This coach won't make you run laps!** [Academic Peer Coaching](#) is available to help students develop effective learning and study strategies. Coaching sessions focus on test-taking, note-taking, time management, and textbook reading and can be adapted to students' specific needs and interests.
