

GEAR UP Implementation Worksheet
GEAR UP 2018-19

YOUR SCHOOL: _____
YOUR NAME: _____

The purpose of this worksheet is to help your school solidify an implementation strategy for GEAR UP that is unique to your school's needs. Please write your ideas and challenges that you see in implementing each of the services listed below as discussed during the presentation.

During the breakout session, you will have the opportunity to discuss each item in further detail with the GEAR UP Advisor who will be serving students and families in your school before solidifying a final strategy.
