## Student Affairs Marketing

Student Affairs departments with digital signs must use one of the following layouts with their screen to ensure cohesiveness and the ability for SA Marketing to create graphics for you.

ScreenCloud makes it easy to switch up your layouts for your screen. They provide prebuilt zones, or you have the ability to customize your own zones as well. We use landscape mode, landscape mode with app, portrait mode, and portrait mode with app.

**Start by choosing your orientation that matches your digital screen, landscape or portrait:**

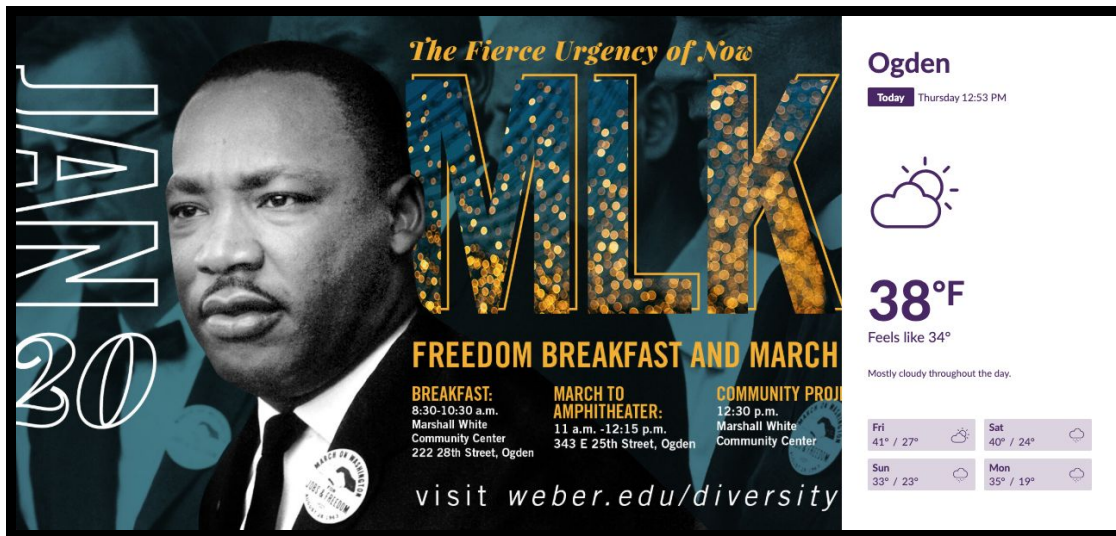

# Landscape Graphics.....

Option 1: Full Screen - Graphic Size: 1920px by 1080px

Option 2: Graphic & Side App - Graphic Size: 1440px by 1080px
