ELECTRIC VEHICLE CHARGING STATIONS

Charging stations are available to anyone with a WSU parking pass to actively charge for up to three hours. A nominal fee is assessed at the station for charging.

BIKE LOCKERS

Twelve first-come, first-served lockers are available. Please provide your own lock.

BIKE FIX-IT STATIONS

Find all the tools needed for minor bike repairs.

GREEN BUILDINGS

We have 8 Leadership in Energy & Environmental Design (LEED) certified buildings, saving resources and reducing operating costs.

COMMUNITY GLASS RECYCLING

Bring your glass from home and recycle it at the Stewart Stadium. All colors accepted.

COMMUNITY GARDEN

Learn to grow your own food, eat and live sustainably, and help provide fresh produce for the Weber Cares Food Pantry.

SOLAR

We are committed to producing as much of our own renewable energy as possible.

GROUNDSOURCE

We are reducing fossil fuel consumption through the installation of groundsource systems, which are underground wells that keep water at a constant temperature to save fuel on cooling or heating.

WSU pledges to become **CARBON NEUTRAL by 2050**
