

High School Undocumented and DACA Students

TIPS Before you Graduate!

Concurrent Enrollment
Speak with your school counselor about college credit opportunities. Concurrent classes in high school are \$5 per credit but close to \$600 per credit in college.

Technical Schools
Technical schools are free when you are in high school, take advantage of completing a program.

Volunteer
Get out and volunteer as much as you can! There is no such thing as too many service hours. Volunteer experience looks great on scholarship applications.

Get Involved
Join a club, run for a leadership position, or participate in sports.

Applying for Scholarships
Take your time and type up your life story. Be sure to include your struggles, achievements, what higher education means to you, and how it will benefit you. Don't forget to include your volunteer work or involvement, having an essay ready ahead of time will greatly help you with the application process.
